

Around the Neighborhood

"No more handsome location for residences can be found than on the highlands of Highland."

- Rocky Mountain News, 1859

Though the days of streetcars are gone, the hustle and bustle of shoppers, diners, and residents remain. Enjoy the tree-canopied sidewalks, the plentiful patios, and the charm of the 1850s architecture.

Stroll the streets every third Thursday for cocktails, Hors d'œuvres, art, live music, and general merriment.

WHY LOCAL?

What's all this hubbub about buying local? To put it simply, when you shop at locally-owned businesses, your money makes a bigger impact in your community. You help create more jobs, fewer carbon emissions, and vibrant neighborhoods.
